

## **JUNIOR TRAPPER AWARDS**

*MTA Lifetime Member Roger Huff and his wife Susan have generously donated to the MTA ten (10) Junior Trapper Memberships, ten (10) MTA Patches and ten (10) subscriptions for the Trappers Post Magazine.*

*Any Maine resident younger than 16 is eligible to receive this membership award. If more than ten (10) individuals enter, a drawing will be held to identify the winners. The ten winners will also have their names put into a hat and one (1) will be picked out. That individual will be awarded one (1) dozen #110 Conibear traps.*

*Mr. Huff would like the drawings to be held at Neil Olson's New England Trappers Weekend or the MTA Rendezvous (in that order). If these two functions are not held due to the virus, then the drawing will be done at the next held MTA Membership Meeting. All entries to be received no later than 30 June.*

*All entries are to be mailed to Adam Vashon, 825 Elm Street, Newport, ME 04953 or sent to his email at [avashon13@gmail.com](mailto:avashon13@gmail.com).*
